## Newsletter

*Friday 14<sup>th</sup> July 2023*

Dear Families,

We want to say a huge thank you to all of our families for your support this year. All of the conversations, meetings with teachers, school events, assemblies and trips and visits can't be made as successful as they are without you all supporting us and the children. Thank you for giving up your time and knowing how important it is that we all work together! We love supporting your children and are looking forward to starting all over again in September!

The children have all worked so hard throughout the year and made great progress in so many areas of their learning. We hope that they will be able to share their learning with you as they bring home their books! Do take the time to sit with your child and let them talk you through what they have been doing, as they will be feeling very proud,

We wish you all a great Summer break and hope that you all have opportunities to rest, relax and spend time with friends and family. We look forward to seeing our Year 1-6 children between 8:35-8:45am on Wednesday 6<sup>th</sup> September 2023 to go into their new classes. Parents and carers will be invited to drop children at the school gates so that we can ensure that children make their way to class as quickly as possible. Please be reminded that the start of the school day is now earlier and children need to be in their classrooms by 8:45am.

### **Year 6 leavers**

We had a very special assembly today for our Year 6 children and families to celebrate them, their achievements and to wish them well as they move to their new schools. It has been a pleasure to teach and support them all and we wish them lots of luck with their transition to their new school!

### **PSFA**

We would like to thank all of the parents and carers who have supported the PSFA this year. We know that many of you give up your time to support at events and we are so appreciative. This year alone we have been able to buy lots of new playground equipment, build some planters around the school, provide new books for class libraries and provide resources for DT learning. We have also purchased sports equipment, playground equipment (currently being installed) and a whole host of other resources! Thank you all!

### **Key Dates:**

Monday 4 <sup>th</sup> September	INSET day NO school
Tuesday 5 <sup>th</sup> September	INSET day NO school
Wednesday 6 <sup>th</sup> September	Start of Autumn term
Tuesday 26 <sup>th</sup> September	Open day for perspective reception families

Kate and the team at Brindishe Manor
