6 September 2013

Dear parents, carers, staff, governors and friends,

Welcome back everyone! I hope you had a good summer break.

Thank you to those who arrived for this new term on the right day at the right time. We are delighted to see our children so smart, so focused, so rested and a little bit taller!

You will see that over the summer there has been a great deal of work going on in and around the school. Our premises team has been very busy and we thank them for all the many improvements they have made.

Over these next few weeks we will welcome our new families to reception and nursery and already we are seeing new children who have been waiting to come into Brindishe Green.

As well as new children, we welcome some new staff to the school; Lorraine King and Nina Ward who are supporting children in year 6, Tracey Rider who is working with the inclusion team and Hannah Rice who is supporting our busy admin team.

I know you will want to make all our new staff, children and families feel very welcome at Brindishe Green.
