Dear parents and carers,

This week at Brindishe Green

Thank you to Ms Staunton and Ms Matthews for planning such an amazing Science week for us all. The children have really enjoyed their science learning about 'spaces' and particularly enjoyed our 'Learning outside of the classroom' mornings all this week. Thank you to all those who played a part in organizing these special days, particularly Mr Baguley and Ms Hughes who have achieved the impossible. A big thank you also to Caroline Leek who ran a fantastic interactive lab for Year 4 on Thursday to explore personal space. She demonstrated lung capacity, how sun cream works, and the children even carried out some activities on brain dominance.

Year 6 performance of Matilda

What an impressive and professional performance this afternoon by our year 6 children who had their opening afternoon for parents and carers and years 4 and 5. The children were simply breath taking and we cannot wait for their evening performance on Monday night. It promises to be even better! Well done children, you have had the most incredible year!

Thank you to the many families who have given us such positive responses to their child's end of year report this week. If you have not already responded please let us have your feedback by next week. Your views are important to us.

On Monday Magnolia class visited London Zoo and had an amazing day! Thank you to all the parents and carers who supported the children on their visit.

On Tuesday Year 4 braved the rain and went to Kew Gardens. Many thanks to all those that supported the children; they really enjoyed it! What a fantastic 'Big Toddle' and picnic on Wednesday at Manor House Gardens for BG and

Headteacher - Sarah Gorbutt

BM Nursery families. There were so many families there and the 'Big Toddle' was a huge success. We will hopefully be able to tell you the final amount raised in our next newsletter. This week, we have said goodbye early to our nursery children as we get ready to prepare the nursery for our big building project over the summer. We are very excited about the improvements that will be made to our early years' classrooms and outside area and look forward to seeing many of these children back with us next year in Reception.

Diary Dates

18th July - Year 6 Matilda evening performance
20th July - Yr 6 end of year Prom
21st July - End of Summer Term
5th September - Children return to school

Attendance and punctuality

Well done to Magnolia for 100% top attendance this week and also to Redwood class. Chestnut 2 had the best attendance in Reception again. Well done also to Cherry class for having the best punctuality!

...and finally

Lewisham Childcare Sufficiency Assessment Survey

.....are asking parents/carers of early years children to complete a survey to share their opinions about childcare provision. It takes approximately 6-10 minutes to complete and there is a chance for one family to win a **£50 Sainsbury's voucher**.

Take the survey using this link https://lewisham-consult.objective.co.uk/portal/childcare_sufficiency_assessment.

Schh.....I wonder if you saw Ms Kelly today who popped by to visit us from Ireland? Have a great weekend.

Best wishes

Sarah Gorbutt
