**Dear families, staff, governors and friends**

**This week at Brindishe Lee ...**

I have to start with a HUGE well done to EVERYONE @ BRINDISHE LEE for such a happy, well-played sports day. Children, you were brilliant! Staff team ... you were too! All parents / carers who gave their time to accompany, you were so generous and anyone who came to observe, thank you for your support. A very special thank you to key organisers and a special thank you to Mrs Watson who just couldn't resist coming back and making sure the whole day ran smoothly! Everyone a winner!

Other news ... Year 1 had a great day out this week at The Horniman museum looking at plants and growing and Year 2 visited The Ragged School and had a shocking time realising what the school day was like for children in the Victorian times! Many thanks to every

adult who joined our KS1 classes on Tuesday, your support is invaluable and means these visits can take place.

**Message from the office**

Please check your Arbor account to see if there are any outstanding monies owing for lunches or visits and clear all debts before the end of the term. If you are unsure how to check this, please pop in to the office and Nikki or Vikki will be able to advise you. Thank you!

**Farewell ...**

Today we say good bye to Leela Armstrong as she moves on to work in a pre-school in Lewisham. Leela has been a member of our Lunchtime team and supported children and classes in Brindishe Lee for a number of years. We thank Leela for all the support she has given to both children and adults and wish her well for her new chapter.

**Food Bank collection**

Your generous donations were collected from school this week by a representative from Afril. They were taken straight to the church to be distributed to people in Lee and Lewisham. It is so valuable to support our own community. Many thanks for everything you donated. We will continue to collect for this project throughout the year ... please keep your eye open for the box outside and for news in the newsletter. Thank you.

**Safeguarding news ...**

National Online Safety have released a helpful guide to internet and device controls. This information can be used to support you to ensure your child's Devices are filtering unwanted and inappropriate content. Internet controls are just one of the ways to support your child to be safe online. We recognise that the best way for children to keep safe online is through regular and open conversation, both at home and school, about ways to manage the risks found online. Please see the NSPCC's guide to starting difficult conversations.
