

**Please wear a face mask/covering on school premises when dropping off or collecting your child; thank you!**

**Friday 16<sup>th</sup> July 2021**

Dear families, governors, staff and friends,

Well this week has seen the sun shining and some fantastic events going on around the school. With lessons still continuing in full swing, the children also experienced their sports days in school or at Ladywell fields. A huge thank you to Mr Williamson and the sports team for making it such a memorable day and ensuring all ran smoothly. The children were also informed of their new teachers this week, so September is now in their minds. With the transition day next week, the children can reflect on the year gone by and now start to begin their move to a new year group, a new classroom and a new teacher. Our Year 6's will also begin to embark on their last week of primary school life, immersing themselves in the end of year events, a special time for them all.

It is my pleasure to also share some fantastic news. Over the course of the summer term, we have been busy recruiting a new head for Brindishe Green. It has been my pleasure to have led the school over the last year, but from September, Adam Twyman will be joining us as the new Head of School. Adam has been a headteacher in Bexley for 5 years and is very excited to be joining us. He will be in touch over the next week.

Attached to the newsletter this week is some exciting news about our new school meal provider, RADISH. Please take a moment to read the letter which contains information about the company, the new menus, the cost per meal and the trial days. We really want to try to encourage as many children as possible to have a healthy school lunch, so why not try it out from September!

I want to say thank you to all those who sent emails following my letter regarding arrangements for next week. At the Full Governing Body meeting last night, it was discussed further and all governors are in support of the school's decision. As I said in my letter, I appreciate it is disappointing for some, but we are doing what we have done since the pandemic started and putting our children, staff and community first, and keeping everyone as safe as possible.

At the moment we are in the process of finalising operational plans for **September**, including the start and end of the day. As soon as this is all confirmed, we will be in touch.

We wish you all a lovely weekend,  
*The Brindishe Green Senior Leadership Team*

## Young Climate Warriors Update from Mrs Smith

### #showyourstripes

**'It's a powerful way to show what we humans have already done to the climate. If we want to limit further changes and avoid the worst risks, we must act quickly to reduce carbon dioxide emissions.'**

**Professor Ed Hawkins, National Centre for Atmospheric Science, University of Reading**

As the summer holidays are nearly upon us, this week's Young Climate Warriors challenge is a holiday activity. Children are encouraged to get outside and notice shapes and patterns in nature – spirals, stripes, hexagons, fractals, hearts, teardrops, tessellations, circles ... when you start looking they are everywhere! Pupils may also like to try creating their own patterns – using natural objects – stones, pine cones, shells, twigs – possibly turning to Andy Goldsworthy

for inspiration. It would be great to see some of the beautiful shapes and patterns that your children notice, and even create - please encourage them to email us their photos when they

**HIT THE RED BUTTON** and we will put them on the website.

Professor Ed Hawkins has also used patterns to help us visualise how our climate has changed since the Industrial Revolution. You might want to discuss his 'warming stripes' graphics with your child. There is a [very short one minute BBC explainer video](#) included in this week's challenge.

## Packed Lunches: Water only PLEASE

Please be reminded that **ONLY WATER** should be brought into school

We are seeing an increase in 'unhealthy foods' creeping into packed lunches. Why not log-in to the NHS website <https://www.nhs.uk/change4life/recipes/healthier-lunchboxes> for more ideas on keeping your child's lunch box healthy.

## Marathon update:

Hello again! So I have recovered fully from the marathon in the Chilterns and training is back on! This week's plan is quite frankly brutal. All my runs have been after work in the evenings. 8km on Monday, 10km on Tuesday, 12km on Wednesday with hill strides and 15km on Thursday with 2 min hill intervals (eek). I am allowing myself a rest day today. Tomorrow - Saturday - I am running with my friend Lisa and we are planning on 30km along the Regent Canal. I picked a route along a river so it would be flat :) I know I can do marathon distance on hilly trails but still quite nervous about long distances on roads, especially in this heat! I have only done this sort of distance in races where there has been water and watermelon (my favourite race day food) at outposts so I am going to struggle without those and will have to carry lots of water!! Wish me luck, and check the link below to see how I got on.

## . Gifts for Staff

We have been asked by a number of parents if they are allowed to bring gifts for staff at the end of term.

Although staff at school do not expect any gifts from children, parents or carers, those wishing to bring something in the last week of term are more than welcome to do so.

## PCR testing

If you or your child is showing any symptoms of COVID-19, you must isolate as a family and book a PCR test on the following website: <https://www.gov.uk/get-coronavirus-test>

### WHEN SHOULD I HAVE A PCR TEST?

- **If you currently have symptoms** that may indicate COVID-19, this is the test you should have to diagnose the infection.
- **If a lateral flow test is positive.** The purpose of the PCR test is to confirm the diagnosis, since it is a more accurate test than the lateral flow test.

### WHEN SHOULD I HAVE A LATERAL FLOW TEST?

- You should only have this test **if you don't have any symptoms** and have been invited to take one as part of an exercise to identify infected people without symptoms.

## COVID UPDATES

Restrictions are lifting, but specific guidance remains in place. Please take time to read the following information to ensure we keep ourselves, our school and our community as safe as we can....

### HANDS, FACE, SPACE

This message is still a key part of our life.

**HANDS:** We will, once again, be reminding the children of following good hand hygiene, by washing their hands regularly. Please encourage your children to do the same at home.

**FACE:** Our expectations remain in place. We still encourage face coverings as you enter the school grounds.

**SPACE:** Maintaining a distance of at least 1m between us where possible will help reduce risk for all.

### Travelling

If you or any member of your household are travelling outside of the UK to either a RED, AMBER or GREEN country, you must inform the school ([info@brindishegreen.lewisham.sch.uk](mailto:info@brindishegreen.lewisham.sch.uk)) so we can ensure that you and your family are clear about the procedures and restrictions that may need to be followed. We will ask you to let us know the following information:

- Where you or your household member are going
- The return date to the UK
- Who is in your household

**Covid Symptoms** – If you, your child or a member of your household becomes ill with Covid-19 symptoms or receives a positive test result for COVID-19, please email [info@brindishegreen.lewisham.sch.uk](mailto:info@brindishegreen.lewisham.sch.uk) immediately providing the person/child's name, class, date, and the type and date of test. Your whole household must self-isolate for 10 days. **Please let the school know straight away of your child's test results.**

### Continuing to keep Brindishe Green Safe and Our Children at School

We ask that all families support us in keeping the children, staff and community safe:

- Please wear a face covering/mask when on school premises, if possible
- Please follow the one-way systems in school
- **Please try to cross to the far side of Beacon Road once you have collected your child, rather than walk in front of the gate where parents are standing and waiting to enter the school.**
- Contact the school office via email ([info@brindishegreen.lewisham.sch.uk](mailto:info@brindishegreen.lewisham.sch.uk)) or telephone 02088527245.
- Please read our texts, emails and letters to keep up to date with new information
