Brindishe Schools Federation Priorities 2026-2027

Securing the Best Practice, Achieving the Best Outcomes

Creating an Education without Boundaries

Brindishe
Federation

1

Building Capacity, Strengthening Accountability

- Teachers and staff will resume in meeting regularly in groups to share ideas and work on making things better for your children.
- As always, all our teachers and staff will have personal goals that link to our school's priorities.
- We will provide coaching, training and support to help all our staff become even better at what they do.

3

Creating Meaningful Learning Experiences

- We will focus on developing children's speaking and listening skills (oracy) alongside their reading and writing.
- We will continue to strengthen Maths Mastery in EYFS so children spend more time really understanding number concepts.

5

Every Child Seen, Heard and Valued

- We will introduce a new behaviour policy called 'Promoting Good Relationships'.
- We're continuing to expand our range of clubs, trips and special activities we offer children.
- We've carefully planned our after-school clubs, lunchtime activities and special events so they complement what children are learning in class.

2

Diversity by Design: Every Voice, Every Story

- We will regularly check our curriculum to ensure all children can see people like themselves in the stories, examples and topics we cover.
- Children will learn best when they can get hands-on and creative which is one of our main aims.
- We will continue to plan our lessons so that children with special educational needs (SEND) or those who need extra help can continue to access the same exciting learning as everyone else.

4

Excellence Without Exception

- We will use our new tracking system called INSIGHT to strengthen how we monitor all children in their learning. This will help us quickly spot if any child or group of children needs extra support.
- We are still very committed to closing any gaps in achievement, so vulnerable children make just as much progress as their classmates.

Brindishe Schools Federation Priorities 2026-2027

Securing the Best Practice, Achieving the Best Outcomes

Creating an Education without Boundaries

6

Engage, Enrich, Belong

- We will work hard to make sure children attend school regularly, aiming for at least 96% attendance across the school.
- If a child misses more than 10% of school (roughly one day every two weeks), we will work closely with you and your child to understand what's making it difficult for them to attend.

8

Every Child, Every Layer, Every Day

- We will continue to plan our lessons so that all children can access the same high-quality learning, whatever their needs.
- The government is introducing changes to how schools support children with special educational needs and disabilities (SEND). We're preparing for these changes

10

Protecting Pupils in Every Space

- As we do every year, we're providing annual updated training for all our staff on safeguarding issues that happen outside of family life and in the digital world.
- We will further strengthen our leadership and systems in place to protect children when they're using technology at school.
- We will introduce a mobile phone policy that restricts when children can use phones at Brindishe Schools

7

Playful Minds, Happy Learners

- We're introducing OPAL (Outdoor Play and Learning), which transforms playtimes into richer, more exciting experiences for children.
- We're creating even more opportunities for children to take on leadership roles and have their voices heard.
- We will continue with our 'Let's Go Zero' campaign, which means making our schools even more environmentally friendly and work towards becoming carbon neutral.

9

Beyond the Four Walls

- In our Early Years, we're focusing on 'oracy' – which simply means helping children become confident speakers and good listeners.
- We're expanding our outdoor learning and educational visits because children learn so much from hands-on experiences outside the classroom.
- We will help children understand why what they're learning matters and how it relates to their lives and the world around them by creating real-life experiences.

Attendance & Punctuality

At Brindishe Schools we believe that good attendance and punctuality are essential. Research shows that children who attend school regularly do better at school and make better progress.

Brindishe Green

Start Time - Gates Open 8.35am/Gates Close 8.45am

Children are expected to be in school by 8.45am. Children arriving after 8.45am will be marked at 'late'

Finish Time - School Ends 3.15pm

Requests for Leave during term-time may be permitted in exceptional circumstances e.g. funeral of a direct relative, wedding of a direct relative. Holiday requests will always be marked as *unauthorised* and may resort in fines.

What if my child is going to be absent from school?

If a child is going to be absent from school, the parents/carer is responsible for letting the school office staff know the reason for the absence and the anticipated length or duration of the absence. Where no message is received about a child's absence, the absence will be recorded as *unauthorised*.

What happens if my child arrives late?

Teachers provide early learning tasks to settle the class before they begin to take the register. If children arrive late, they must go to the school office to be registered for late entry. This ensures that a record of late arrivals is made, for monitoring purposes, and also ensures that the learning of the other children is not disturbed.

Attendance & Punctuality

Planned Absences

Please ensure that you inform the office of any planned absences in advance, either by email or telephone e.g. Eid, Secondary School visits/tests.

Last Minute Collection Arrangements

Please telephone the school office before 2pm if collection arrangements for your child have changed for that day.

Pick-Up Passwords

If another adult is collecting your child, they will be required to provide a 'pick-up' password before they can take your child home. Please ensure you pass this onto the school office when you inform them of alternative collection arrangements.

Communication Channels

Absent Reporting

To report your child absent please call or email before 8.30am. Please call the school on **each day** of your child's absence.

Welcome to Year 6

Year 6 is the final year of primary school and our children at Brindishe Schools continue to experience an exciting, broad and balanced curriculum so that they are prepared and ready to embark on their next stage of education at secondary school. At Brindishe Schools, we have developed a curriculum overview for each year group which details the focus for each subject in each half term. Please click on the Year 6 curriculum overview below to find out more:

[Year 6 CURRICULUM OVERVIEW](#)

In Year 6, the children will focus on the end of Key Stage 2 National Curriculum assessments, otherwise known as the Standard Assessment Tests (SATs). However, we want the children's final year to be full of exciting learning opportunities so our aim is that there will also be plenty of fun and valuable learning.

English

In Year 6 we want our children to have lots of opportunities to read independently both at home and school and to read across a range of genres. Our children continue to build on their comprehension skills as they analyse more complex books and share their understanding of characters, themes and text types. You can find out more about supporting your child's reading at Key Stage 2 by clicking on the link below.

End of Year Expectations Year 6

This booklet provides some information for parents/carers on the end of year expectations for children in our school. The complete National Curriculum can be found here: [National curriculum in England: primary curriculum - GOV.UK \(www.gov.uk\)](https://www.gov.uk/national-curriculum)

The National Curriculum outlines these expectations as being the minimum requirements your child should meet each year. We have included the most important elements of reading, writing and Maths here, but all of the objectives will be focused on throughout the year as part of your child's lessons.

Any extra support you can provide in helping your child to achieve these expectations is greatly valued. If you have any queries regarding these expectations or would like support in knowing how to help your child with these, please see the class teacher.

Overwhelming response and feedback from parent/carer survey indicated a want and need for clearer end of year expectations for your children.

Today, all families will receive the 'End of Year Expectations' booklet. We hope this will support you in knowing where how your child is progressing and how to support at home.

Reading

Word Reading

- I can apply knowledge of root words, prefixes and suffixes to read aloud and to understand the meaning of unfamiliar words
- I can read further exception words, noting the unusual correspondences between spelling and sound
- I attempt pronunciation of unfamiliar words drawing on prior knowledge of similar looking words
