Dear Parents/Carers of Sea Eagle class,

Welcome to the new school year! We hope you all had a great break, and we're very happy to welcome you and your child into their new class. Our overall topic for the first half term is: WW1. Many aspects of the curriculum will be linked to this topic.

Our focus in Maths will be Number: determining place value, comparing and ordering, negative numbers, rounding and solving practical problems.

Science

Our scientific learning will revolve around investigating adaptation and evolution.

Art/Music/Dance/Drama

We will explore a variety of creative and expressive arts: we will create our own charcoal drawings based on Henry Moore's work; create a 3D Blitz skyline; listen to, repeat and create our music with different instruments; and use different types of drama to inspire our writing.
