#### Posters about endangered animals.

Research an endangered animal and create an informative poster.

#### Nature Scavenger Hunt:

Go to your local park and go on a scavenger hunt.

Then, create your own nature scavenger hunt list for a friend to complete.

**ME Book – PSHME:** You have different activities to try in your me books all linked to your personal, social, emotional and mental health, including being safe, respecting others, online safety and growing up. Try to complete a different activity each week of your choice, in any order. You should keep your 'Me Books' in your school bags at all times so your class adults can celebrate them with you at any times. At the end of the term you will share your learning with your peers and class teachers in a special celebration event.

*All Home Learning will be responded to by the class teacher verbally during the school day and used to consolidate learning and address misconceptions within lessons. It will be shared and celebrated with peers and adults within designated sessions and through praise entries and weekly praise assemblies.*
