What has been happening this week?

Despite it being a short week in school for the children, we certainly packed a lot in: The Summer Fair, new Reception parent meetings, and performance preparations.

Tuesday was a very big day for our school community. We spent the morning going through the reaccreditation process for the Rights Respecting Gold Award. It was a huge team effort which involved the Rights Respecting Ambassadors, another large group of children, staff, a Governor...and a wonderful group of parents. Although we will not get the final outcome and report until September, the UNICEF assessor said that we submitted a lot of wonderful evidence, which was backed up by everyone she spoke to! We look forward to sharing the report with you in the new year.

What is happening next week?

Next week both Year 3 (Tuesday) and 5 (Wednesday) will have their year group performances in the playground, starting at approximately 9am. This should last about 30mins.

On Friday, every child in the school will receive their end of year school report. These can not be given directly to children so please make sure an adult comes to collect them.

Also on Friday afternoon, the children will find out who their new teacher will be and what class they will be in. This will be sent to you on Friday afternoon too. Children will visit their new teachers and classrooms the week after.
