## Parent/Carer Survey - HAVE YOUR SAY!

Every year, we ask our parents/carers to complete a survey to tell us about their experiences of Brindishe Schools during the current school year. These were sent to all Brindishe families on Monday 3rd June and will close on Monday 10th June. This survey is for the academic year 2023-2024. We kindly ask that each family completes a survey.

In addition, we have also asked all staff and children to complete their own survey too. Your views and comments are very important to us as we want to know what we are doing right, and what you think we could improve upon. Please give as much information as possible.

*Your views count!*

## Weekly Online Safety Bulletin

### *Playing Games*

Lots of people enjoy playing games, and there are different games for everyone.

But there are lots of things that might stop your game being fun, like: being bullied or hurt, not feeling able to stop, competing too much with other people, getting in trouble with your parents or carers for playing games too much.

If you're not enjoying gaming, there are lots of things you can do.

<https://www.childline.org.uk/info-advice/bullying-abuse-safety/online-mobile-safety/online-gaming/>

#### 5 ways to keep gaming fun:

1. Block, report and mute people who troll or bully you in games
2. Take short breaks if you're gaming for a long time
3. Don't share personal information with people in games
4. Avoid in-game purchases like loot boxes
5. Check the age rating of any games you play

# Right Respecting - LGBT+ History Month

**Article 2: (non-discrimination)** The Convention applies to every child without discrimination, whatever their ethnicity, gender, religion, language, abilities or any other status, whatever they think or say, whatever their family background.

**Article 13: (freedom of expression)** Every child must be free to express their thoughts and opinions and to access all kinds of information if it is within the law.

**Article 17 - access to reliable information** Every child has the right to reliable information from a variety of sources, and governments should encourage the media to provide information that children can understand. Governments must help protect children from materials that could harm them.

And remember, at the heart of the UN Convention on the Rights of the Child are the values of dignity, equality and non-discrimination.

***LGBT+ History Month takes place in February each year.***

LGBT+ History Month is all about promoting fairness, equality and diversity and raising awareness of LGBT+ people and culture, now and in the past. It aims to give voice to LGBT+ experiences, celebrate achievements and highlight the challenges people still face today. It is also about helping everyone to learn more about LGBT+ culture and history.

The theme for this year, along with more information about the month, can be found [here](#).

***Why is it important to listen to, learn from and celebrate people's differences in school and in our community?***

- It helps to remind us that we are all unique and should all be treated with dignity.
- It reminds us that everyone has different experiences and everyone has the right to be listened to and express their opinions.
- When our differences are celebrated, we feel valued as people and our health and wellbeing improves.
- It helps all people to feel welcome in school.
- It reminds us that not all families or relationships look the same.
- It helps us to be open and respectful to new ideas about identity.
- We are all learning all of the time and by listening to others we continue to grow and learn.
- So that we can speak up and challenge unfair comments or actions.
- To help ensure that all children and young people's opinions are taken into account when making decisions about them.

**Listen to the story 'Julian is a Mermaid' read by the author Jessica Love.** What did you think of the story?

Was there anything that surprised you? How did Julian's Abuela (Nana) react to him dressing as a mermaid? What did you think of her reaction? How can we help everyone to feel happy being themselves at school? Which rights does the story connect to?

At Brindishe Schools we talk to children about identity as part of their PSHME learning, in assemblies and within the classroom. Children at Brindishe Schools 'treat others as they would like to be treated'.
