

### Friday 14 September 2018

#### Dear families, staff, governors and friends

This week everyone has been really busy learning inside and outside, making the most of the September sunshine!

It has been lovely seeing our new Reception children grow in confidence over the week. Today sees the class begin 'full-time' – Welcome to Brindishe Lee !

#### Collecting children at the end of the day

Please make sure your child's class adults know who is collecting your child at the end of the day each day. If your child sometimes goes home with an After School Club, please let the teacher know which days to expect them at the door.

If your child is going to be picked up at the end of the day by an adult who is not their usual adult for that day, please inform the class teacher or Teaching Assistant at the door in the morning or phone the school office who will make sure the message is passed on to the class teacher. In line with our Safeguarding policy, staff will not hand your child over to any other adult, even an adult known to them, without a prior arrangement.

Please remember to check Arbor (our parent portal) <https://brindishe-lee.uk.arbor.sc/?/home-ui/index> has the correct, current contact information for you and other adults who may be called in case your child is unwell in school. Please ask at the school office if you have any difficulty with logging on to Arbor, our Admin team will be very happy to help you. Many thanks.

#### PE kit

Participating in PE is a part of learning for all children at Brindishe Lee. It's not only important for the development of health and fitness but also

wider skills for learning, such as resilience and collaboration. When children forget their PE kit, it makes it difficult for them to participate fully and comfortably in the lessons.

Please ensure that your child always has the appropriate PE kit in school. It should be brought in at the start of each half term and then taken home at the end of the half term, or earlier if it needs a wash. Please also ensure that all kit is labelled and fits well.

#### Indoor PE Kit

Shorts and T-shirt  
Socks and plimsolls

#### Outdoor PE Kit

As for indoor PE, plus a tracksuit for the colder weather. Children may wear trainers.

For safety, all long hair must be tied back and jewellery removed.  
Thank you for your support.

#### Repair and redesign in Reception / KS1

You may notice some temporary fencing has gone up in the Reception and Year 1 outside learning area,..? This will remain in place whilst some work is carried out on the wall. To ensure safety whilst the work is taking place, please make sure all children stay 'this side' of the fence as you walk past. Thank you.

### Thank you F@B!

During the summer term, and over the summer holiday, some new play and seating areas appeared in our outside learning spaces ... this is thanks to you and our parent / carer team, F@B (Friends at Brindishe Lee).

The money raised at F@B events last year has provided some fabulous new furniture and learning spaces which the staff and children are enjoying every day. They look wonderful!

We thank F@B for all the events they offer both the children and adults in our school community throughout the year and, of course, for the opportunities created with the money raised.

This is the perfect moment to remind everyone about a whole school event coming soon ...

Children and staff are already working on preparing for the day. Dance and costume workshops begin very soon and everyone is thinking about Carnival across the world. Thank you to our F@B team who were successful in their bid for Lottery Funding to support this event

and sourcing the creative team, Emergency Exit Arts, to work alongside staff and children in school.

Following the procession in school there will be food and activities to continue the World Celebration! What an exciting time to come ... We really look forward to seeing everyone there!
